#### 09-02-05 THIS BUNNY HAS KICK

It's the last official long weekend for heading up to cottage country. If you haven't made your run to the local liquor store yet, we have one more shopping item to add to your list.

**French Rabbit** wines, available in Chardonnay, Merlot and Cabernet Sauvignon varietals, are the only wines in Ontario that come in a light-weight, easy to pack, easy to carry, easy to store, perfect for that weekend at the cottage . . . Tetra Pak.

We know. Nothing says classy like wine in a box. You've probably passed by the bright orange display at the LCBO, maybe even picked one up for a closer look. But if visions of mullets and romantic drive-thru dinners have kept you from trying this little gem, we suggest you think again.

**French Rabbit** is actually good French wine. We won't say it will be the best you've ever tasted, but for \$12.95 a litre, the value is hard to beat. It's perfect for cottages, BBQs, or casual dinners (although we don't suggest this little bunny for your next hostess gift - we've come a long way, baby, but not that far).

So grab a box for the weekend, and be sure to pack the good cutoffs.

PS: 50¢ from each sale goes to the LCBO's Natural Heritage Fund, so your wild life can help support wildlife.
